

List of Clergy with Credible Allegations of Sexual Abuse of Children

This list is being published as part of the Diocese of San Jose's commitment to transparency and accountability to assist in the process of reconciliation and healing.

The individuals on this list were assigned to a parish or diocesan ministry in Santa Clara County by the Bishop of San Jose or, in the years before our founding in 1981, by the Archbishop of San Francisco. We have included all known assignments as part of our commitment to transparency. Please see our FAQ for more information about the list: www.dsj.org/disclosurelist.

We will continue to contribute to this effort of transparency and accountability with an independent review of our personnel files. As a result of that process, names or information may be added to the list.

Anyone who has been a victim of sexual abuse by anyone working on behalf of the Church is encouraged to contact civil authorities (police department or sheriff's office) and then to the Office for the Protection of Children and Vulnerable Adults at 408-983-0113 or <https://opcva.ethicspoint.com>.
